

Purchase of Stock

Pool stock can be purchased on a three-year installment plan. The cost of the stock is \$500. Under the installment plan, one third of the stock cost (\$167), plus the annual active stockholder dues (currently \$350), is due each year for three years. Stockholder privileges begin with the first installment payment. Eligibility to purchase stock is determined by neighborhood boundaries. If you have any questions, please contact a membership committee member.
